25 YEARS AND GROWING!

The Levitt Law Group is also taking this opportunity to celebrate **25 years of practice**, and is growing to better serve our clients and the community. The following are some of the exciting things happening at the Levitt Law Group:

- Our move to a **new location** provides us with bigger office space, two conference rooms, a larger and more comfortable waiting area, a kitchen, and free parking, all of which we hope will continue make our clients feel welcome.
- Attorney **Karen J. Levitt** will continue to provide services in family law litigation, collaborative practice, and mediation. Karen also will be expanding her services in probate law, including elder mediation and guardianship. Karen was just selected for inclusion in the 2009 edition of *The Best Lawyers in America* in the area of Collaborative Law: Family Law!
- Attorney **Andrea M. Wells**, who has worked with the Levitt Law Group for seven years, will also be continuing to provide services in family law litigation, collaborative practice and mediation, and is expanding her practice to include adoption and elder mediation.
- Attorney **Teresa M. Harkins LaVita**, currently a judicial law clerk for the Probate and Family Court, will be joining us as of October 1, 2009. Teresa will be part of our team of attorneys providing a full range of services in family and probate law – we are excited about having her on board!
- We are going to begin providing **free public education** on topics of interest to our clients and the community in family and probate law related matters. These programs will be announced in the Fall.
- Our website, **www.levittlawgroup.com**, is going to be upgraded to include a blog as well as more information regarding our services and areas of practice.
